ON THE VERGE OF WORLD WAR and MARY'S MEDIATRIX ROLE

By Father Paul Kramer, B.Ph., S.T.B., M.Div., S.T.L. (Cand.)

The world is not doing too well. We are on the verge of a World War that compares to the war in 1939. Several prophesies have been foretold about this:

- In 1803, Zachary, a Jewish man who converted to the Catholic Faith, received a prophetic message. Father Fatacoeli edited the prophetic message and published it in a book which contained a remarkable revelation about the World War that will take place. **He described the dimensions of the Empire of the North—the dimensions of Russia and China—that they will go to war with North America and they will defeat North America.**
- More recently, a Catholic priest, St. Luigi Orione, prophesied that millions from North America will flee to Argentina for refuge: ***"from a northern hemisphere devastated by a great war."***
- In the 20th Century, Blessed Elena Aiello, a nun who had the stigmata of Christ on her body, received a revelation about **Russia waging war on America with secret weapons and that Russia will overrun all of Europe.**
- Mother Yvonne-Aimee of Malestroit foretold **the Russian invasion of Europe. She said their occupation of Europe will last less than one year but it will be a brutal occupation which will be part of a greater, more chaotic war.**

The Masonic plans for war and taking control over whole countries goes back decades. The George W. Bush administration produced documents of the "Project for the New American Century". Those documents revealed the Bush administration's plan to divide up Russia and create a few small countries of puppet regimes out of what formerly would have been the Russian Federation. So, they basically wanted to get rid of the Russian Federation that exists today and replace it with a few small puppet States that NATO can control.

What most people seem to have forgotten though, is that the revolution in Russia in 1917 was something imported from the West. Trotsky, in January, 1917, travelled from New York to Russia, accompanied by a gang of Jewish revolutionaries. They were armed with gold from the Jewish bankers in New York which assisted them in setting up an almost completely Jewish-dominated Communist government in Russia and inaugurated what eventually was called the Union of Soviet Social Republics.

Our Blessed Mother, In the Fatima Message, spoke about the errors of Russia. As Pope Pius XI pointed out: ***Russia has been more sinned against than has sinned.*** The errors of Russia, of course, were imported into Russia from New York and London. Karl Marx lived in London. The Jewish revolutionaries from New York travelled to Russia to import the Communist revolution into Russia. That is where it came from, and look at who owns and operates the Trump administration. It's the same group.

Introducing … DICTATORSHIP

Trump is instituting a dictatorship in the United States. Most Americans, to use the Jewish expression for "Gentiles," are what they call cattle (Goyim). Unfortunately, most Americans have been brainwashed by the Zionist-dominated media to think like "goyim"—like cattle. They have no idea what the Federal government of the United States is up to; what their agenda is.

Their agenda, for a long time, has been to turn the United States into a coast-to-coast concentration camp. This begins with abolishing the due processes of law.

This has been in Catholic prophecy for a long time:

- They are going to take away all our rights and civil liberties.
- They are going to reduce us to slavery in our own countries.

Another prophecy of a Greek Orthodox priest from Mt. Athos, foretold that Europe would be subjected to a Zionist Jewish-led tyranny. That means the European Union countries are going to be totally under Zionist Jewish tyranny.

And then we have the financial front. We are going to be enslaved by the financial system which is being introduced with the digital currency. That is all in the works and the Trump administration isn't doing anything to stop that. What they are doing, is taking away all of our constitutional rights.

The reason why the Trump administration is going after illegal immigrants is to provide plausible deniability for the hidden agenda of nullifying the US Constitution. They are going after immigrants because they are the most vulnerable—the ones who have the least constitutional protection. Many legal immigrants and American citizens are not just being arrested—they are being violently and forcefully abducted with no due process of law and no warrants. Many times, they don't even identify who these people are—just that they *look* Hispanic—and so they are forcibly arrested and sometimes even shot for trying to flee.

They are put into camps just like what the KGB did in 1937 and 1938 in the Soviet Union. One quarter of the population of Leningrad was sent to the Gulag in this manner—processed exactly the same way in which the Trump administration is rounding up people today. It only begins with the immigrants because Trump has already spoken about going after others—especially people who are against his administration—just like Stalin did to those who opposed him.

Illicit Excuse for Martial Law

Very meticulously, very systematically, very methodically, they are creating a crisis so that they will have a seemingly justifiable excuse to proclaim Martial Law. Once they introduce Martial Law, it will not only be immigrants who have no rights—it will be everyone. Nobody will have rights. What the Department of Homeland Security and ICE is doing now—even to legal immigrants and United States citizens—is intended eventually to be done to YOU too.

CONTINUED ON NEXT PAGE →

CONTINUED FROM FRONT COVER

Everyone in the United States is going to be subjected to this brutal Masonic dictatorship with no recourse and no due process of law. We are going to find our country under a total Communist dictatorship.

This is exactly the agenda of the Communists, which is to create a revolutionary situation. It is Lenin who had the slogan—***"The worse, the better".*** So, that group that was in charge of the Communist Revolution wanted to make the economic plight of the people desperate enough to get them into a revolutionary frenzy; to get them into a chaotic rebellious mood to fight against any government that they viewed as being their oppressor.

That is exactly what is happening in the United States now. People are being turned against the government because they are losing their jobs. If they lose their jobs, they can't pay the rent. If they lose their homes, they become homeless and what is Trump's attitude about the homeless? As far as he is concerned, they are just useless losers who should be confined in detention camps.

Most people simply can't afford to buy houses anymore. Some young people graduating from college, entering the work force, may be lucky enough to find a job, but the job they find is not enough to support themselves. They still have to live with their parents. Private equity is buying up all the houses. The monopolistic ownership of the financial elite will take over all the property. In one word, this is Communism.

A monopolistic system is also being imposed through the financial system. The "reforms" they are making in the banking system with their digital currency is intended to result in the United States having a social credit system like Communist China.

You are going to have a judicial system—or more appropriately named, **a Criminal *Injustice* System like that of Stalin's Soviet Union.** This is where things are headed right now.

[MAGA] Make America Great Again means Make America COMMUNIST

People have been mesmerized and hypnotized, as it were, by the Trump slogans: "Make America Great Again". But what is Trump's government actually doing? The Zionist Jewish dominant financial elite in control—even over Trump—are turning the United States into a Communist country. We are on the road to Atheistic Communism.

I have quoted some Jewish authors in my own book, *The Mystery of Iniquity*, where the Zionist Jews actually boast that they were the ones who were in charge of the Communist Revolution in Russia. It is in their own writings—they make no secret about it. They proclaim—as does their Talmud especially—their designs to dominate the world. They instituted Communism with the purpose of subjugating the world to their own rule. And the one who is their current "manager" in the United States is a man named Donald Trump.

Winston Churchill spoke of the regime in Moscow which was the Soviet Union—being run by a gang of what he called "atheistical Jews". But, if you mention that now, you are branded as an antisemite and you will soon be charged for it under the anti-Semitism laws Trump is advocating.

Back to Basics—RUSSIA Was Chosen by God

In all this—not to be forgotten—is that Russia is the country that was chosen by God to eventually defeat these disorders which were imported into Russia by the international Zionist Jewish community in 1917. It is Russia who is going to lead the way. The Fatima promise of the conversion of Russia that will take place is going to lead to the conversion of Europe back to its traditional faith. It is going to bring about the conversion of Russia, the conversion of Europe, eventually the conversion of England and North America, and the conversion of the Jews. The Jews will enter the Church and the problem that we have between Jews and Arabs will go away because, when both Jews and Arabs will embrace the Faith of Jesus Christ, then they will live together in peace.

But before that, nothing will work. The puppet regime in Washington is far more interested in assisting the Zionist regimes in Israel and in Ukraine, even to the point of resorting to the "Samson Option":

> The Samson Option is referred to as Israel's deterrence strategy of massive retaliation with nuclear weapons as a "last resort" against a country whose military has invaded and/or destroyed much of Israel. It is in reference to the biblical Israelite judge Samson who pushed apart the pillars of a Philistine temple, bringing down the roof and killing himself and thousands of Philistines with him.

FATIMA – The ONLY Solution

The ONLY solution is the Message of Fatima which is about Conversion. God is allowing these disorders to take place because the human race wants to follow its own devices and not the Law of God.

> **As long as people stray away from the Law of God—they separate themselves from the protection of Divine grace and God leaves them to their own devices.**

That is why the world is in the pitiable situation it is in now. We have a remedy from Heaven. But first, there has to be a spiritual, moral conversion. It has to be a return to Faith—in Jesus Christ. We have to become a Christian nation again. We have to become a Christian civilization again—rather than what is taking place now …

I have just read today about what happened recently in Germany. They held what they call their "Queer Mass" for the so-called "Queer Community". Would you believe it was actually organized by the Diocese of Limburg? Can you imagine this happening in the time of Pope Pius X, Pope Pius XI or Pope Pius XII? Impossible, they wouldn't have allowed it. What kind of disciplinary action for that comes from "Leo"? Not surprising, NONE!

And what could we expect from a counterfeit pope who signed a decree (*Mater Populi Fidelis*) issued from the Vatican doctrinal office stating that: ***since Jesus alone redeemed humanity, "it is always inappropriate to use the title [for Mary] 'Co-Redemptrix' ".*** I quote here an excerpt from Cardinal "Tucho" Fernandez's Introduction to "Leo's decree" as well as from the "Doctrinal Note" itself:

> "The present Note responds to numerous requests and proposals that have reached the Holy See in recent decades, and particularly this Dicastery, regarding questions pertaining to Marian devotion and certain Marian titles…
>
> "… [T]here are some Marian reflection groups, publications, new devotions, and even requests for Marian dogmas that do not share the same characteristics as popular devotion. Rather, they ultimately propose a particular dogmatic development and express themselves intensely through social media, often sowing confusion among ordinary members of the faithful. Sometimes these initiatives even involve reinterpretations of expressions that were used in the past with a variety of meanings. This document considers such proposals to indicate how some respond to a genuine Marian devotion inspired by the Gospel, and how others should be avoided since they do not foster a proper contemplation of the harmony of the Christian message as a whole…
>
> "… Should expressions or titles … emerge in cases of alleged supernatural phenomena that have already received a positive judgment from the Church, one ought to bear in mind that "whenever a *Nihil obstat* is granted by the Dicastery… such phenomena do not become objects of faith, **which means the faithful are not obliged to give an assent of faith to them." [However, what the document fails to say is that when it is a definitive point of revealed doctrine expressed by the ordinary and universal magisterium, then an assent of faith is required, and other papal teachings of past centuries must be believed, even if not with the assent of faith.]**
>
> *"The Supreme Pontiff Leo XIV,*

in the Audience granted to the undersigned Prefect together with the Secretary for the Doctrinal Section of the Dicastery for the Doctrine of the Faith, on 7 October, 2025 approved the present Note, *decided upon in the Ordinary Session of this Dicastery on 26 March 2025, and he ordered its publication.*
[Signed by] Víctor Manuel Card. Fernández, Prefect;
Msgr. Armando Matteo, *Secretary for the Doctrinal Section*;
Leo PP.XIV"

That last excerpt, although not from "Leo" alone is a major reason why **the urgent request of Our Lady of Fatima HAS NOT BEEN FULFILLED** – because, as "Leo" reiterates, ***the faithful are not obliged to believe***. The faithful are obliged to give a religious assent to papal magisterial teachings of the past centuries even when they have not been solemnly defined. "Leo XIV's" document is a slap in the face to the Mother of God, Who gave us the stupendous Miracle of the Sun at Fatima **SO THAT ALL COULD BELIEVE**.

The "Decree" also spits in the faces of Pope Pius X and Pope Pius XI. They were the ones who explained theologically what is the Co-redemption. Jesus Christ is the One and Only Redeemer but as Cardinal Burke recently pointed out:

> ***"This idea of Co-Redemption is something Scriptural. It is participation in the Mystery of Redemption that we, as Christians, are called to participate in Christ's Redemption; that Christ calls upon the members of his Church to cooperate with Him in the work of redemption."***

This is Catholic Doctrine. What "Leo" is doing, is rejecting Catholic Doctrine. He is rejecting Catholic Teaching and he is foisting a false "doctrine" of the "new religion" of the "Synodal church" on the Catholic faithful. This "Synodal religion" is different. It is opposed to the Catholic Religion, opposed to the Catholic Faith. That is what we see taking place from this diabolical Masonic organization in Rome which calls itself the "Synodal Church".

You will note that the notorious Tucho Fernandez wrote the preface to "Leo's decree" saying that it was in response to questions in recent years about devotion to Mary; and to clarify what is acceptable to the Church. This is the same Tucho Fernandez who, under "Francis", came up with the "doctrine" saying ***any Marian apparition that threatens Divine punishment of the world, is false.***

How many threats of Divine punishment do we read in the Old Testament? It is filled with it. The whole Old Testament is filled with God threatening punishment upon the people if they stray away from obedience to Him—Deuteronomy, Ch. 28; Leviticus, Ch. 26. Yet, Tucho Fernandez came up with this "document" saying that prophetic messages that threaten Divine punishment are false? Well, he might as well throw away the entire Bible if that is the case.

It is through Christ's merits that we are given the grace to participate in His work of Redemption. It is His merit that brings about the Redemption, His alone. But it is through the merits of His Redemption that we are given the grace to participate in the Work of Redemption, pre-eminently fulfilled by His Mother, Mary, Who, more pre-eminently than any other person, cooperated so totally in the work of His Redemption that …

location for all the subsequent visits.

Despite being forbidden by Mother Theophile, superior of the convent, to return to the garden, the children, because their mother had asked them to go and meet with Gilberte V., returned the next day. Again, they saw the vision, and Albert asked, "Are you the Immaculate Virgin?" The Lady smiled and nodded Her head, and added these words to Albert, "Always be good."

In obedience, the children did not return to the site on Saturday, and Mother Theophile was met with 150 people waiting outside the locked garden gate. The next day Mother Theophile relented. And opened the gate. The apparitions continued and Our Lady asked the children to be present on the feast of the Immaculate Conception. Over 15,000 were present on this occasion. The 5 children fell into a profound ecstasy and even a doctor sticking pins into their flesh, placing flames under their fingers, and shining flashlights into their eyes, did not receive a response from the children.

On December 17, Our Lady asked for a chapel to be placed on the spot where She appeared. Then on December 29, She opened Her arms and exposed Her Immaculate Heart. At these times She said, "Pray, Pray very much! "and "Pray always!"

A great crowd was on hand for the last appearance. Our Lady spoke to each child separately. To Andree she said: "I am the Mother of God, the Queen of Heaven. Pray always. Good-by." Gilberte V. was told, "I will convert sinners. Good-by." To Albert and Gilberte D. She simply said, "Good-by."

Fernande was so disappointed that she was not seeing her Lady she refused to leave the spot. Suddenly she heard a loud crashing noise, and she saw a great ball of fire on the tree. Then she saw the Blessed Virgin who asked: "Do you love my Son?" Fernande responded, "Yes." Again Our Lady asked: "Do you love Me?" Again, the child answered, "Yes." Then Our Lady said, "Sacrifice yourself for Me."

Afterward, the three youngest children said that Our Lady had entrusted to each of them a secret which might not be told to anyone.

The story of the apparitions caused a great sensation all over Europe. Pilgrims from Belgium and from many other parts of Europe visited the shrine. There were two million pilgrims in the first year. Many cures and temporal favors were reported. More amazing were the conversions. These conversions are called "Beauraing's Greatest Invisible Treasure," as Our Lady had said, "I will convert sinners."

On July 2, 1949, the Bishop of Namur released two important documents. One was an episcopal decree recognizing as authentic miracles two of the many cures credited to Our Lady of Beauraing. The other document was a letter to the clergy of the diocese. In it, the Bishop said: "We are able in all serenity and prudence to affirm that the Queen of Heaven appeared to the children of Beauraing during the winter of 1932-1933, especially to show us in Her maternal Heart the anxious appeal for prayer and the promise of Her powerful mediation for the conversion of sinners."

A remarkable feature of Beauraing is the fact that, although our Lady appeared at least 33 times, she said very little, but in all She requested, as at Fatima: prayer, sacrifice, and devotion to Her Immaculate Heart.

Beauraing, 1932-1933

The story of Fatima does not end with the revelations to Lucia in the convent. Since Fatima, Our Lady is reported to have appeared in many parts of the world. Of all the visions that have been reported, two have received full ecclesiastical approbation—Beauraing and Banneux, with the apparition of Banneux taking place just twelve days after the last one at Beauraing.

Beauraing is a small town in the southern part of Belgium, five miles from the French border. By 1932 the inhabitants of Beauraing were, on the whole, indifferent or even hostile to the Catholic Faith. Most of them were very poor, and in their desperate economic plight had been at least half converted to the teachings of Karl Marx. The Socialists carried the district in most elections.

On the evening of Tuesday, November 12, 1932, Fernande Voisin age 15, and her brother Albert, 11, went to the convent of the Sisters of Christian Doctrine where their sister Gilberte V., age 13 was a day student. On the way they joined Andree Degeimbre, age 14, and his sister Gilberte D., age 9.

At the convent, they rang the bell and waited for Gilberte V. to come out. On the railroad embankment near the convent, Albert beheld "the figure of a Lady, dressed in a long robe of pure white." The other children saw the figure, too. This apparition appeared the next night and the third time was seen in the convent garden near a grotto of Our Lady of Lourdes where the children could make out that it was a beautiful Lady dressed entirely in white and with a crown of golden rays. She appeared near the lowest branch of a hawthorn tree which would serve as the

INSTRUCTION ON LENT

From **Goffine's Devout Instructions**
by ***Leonard Goffine***

Memoir of the Author

Leonard Goffine was born at Cologne in the year 1648 and was received as a Premonstratensian monk on the 18th of July 1669. Being persuaded that public instruction and the exercises of the divine service should be accompanied by Christian instruction at home, he wrote at Westphalia a book of instruction and devotion, which, under the title of "A Manual," he caused to be published in the year 1690. In this work his aim was to instruct thoroughly, in regard to their sublime vocation, not only his own parishioners, but also all Christians desirous of salvation. The following are his instructions on Lent.

Fasting

Under the Old Law the Jews fasted by the command of God; thus, Moses fasted forty days and forty nights, on Mount Sinai, when God gave him the Ten Commandments; Elias, in like manner fasted in the desert. Jesus also fasted and commanded His apostles to fast also. The Catholic Church, says St. Leo, from the time of the apostles, has enjoined fasting upon all the faithful.

The early Christians abstained not only from flesh-meat, but from those things which are produced from flesh, such as butter, eggs, cheese, and also from wine and fish. They fasted during the whole day and ate only after vespers at night. We should willingly and with good intention deny ourselves food and drink, but, still more, all sinful gratifications. And as the body is weakened by fasting, the soul, on the other hand, should be strengthened by repeated prayers, by frequent reception of the holy sacraments, attending Mass, spiritual reading, and good works, particularly those of charity.

Prayer

O Lord Jesus, I offer up to Thee my fasting and self-denial, to be united to Thy fasting and sufferings, for Thy glory, in gratitude for so many benefits received from Thee, in satisfaction for my sins and those of others, and to obtain Thy holy grace that I may overcome my sins and acquire the virtues which I need. Look upon me, O Jesus, in mercy. Amen.
